THE 2024 CONSTITUTION AND BYLAWS OF THE NU DASMARIÑAS COMPUTER SOCIETY

SEPTEMBER 2024

PREAMBLE

We, the officers and members of the NU Dasmariñas Computer Society, firmly believe that the provision of well-functioning programs, offering relevant and high-quality knowledge, is essential for building a strong organization. We are committed to delivering innovative programs aimed at fostering the development of relationships, skills, and talents among the Information Technology and Computer Science students at NU Dasmariñas. Our focus lies in computer manipulation, development, and organization to nurture the growth of young professionals in the fields of Information Technology and Computer Science. In alignment with our university's mission, vision, and values, we actively support the principles of academic integrity, fostering a diverse and collaborative environment for professional development, and uphold the utmost ethical standards in all endeavors pertaining to the field of Information Technology and Computer Science. With this vision in mind, we hereby establish and adopt this Constitution and Bylaws.

THE ORGANIZATIONAL SEAL/LOGO

NU Dasmariñas Computer Society
2024 CONSTITUTION AND BYLAWS

Section 1

Organizational Logo Description

- 1.1 **Dynamic Layered Design and Colors:** The logo showcases a dynamic, layered composition featuring orange and blue as the primary colors. The vibrant orange represents energy, innovation, and creativity, while the cool blue symbolizes technology, trust, and the institution's connection to the field of computer science and technology.
- 1.2 **Isometric CS Representation:** At the top of the logo is a stylized representation of the acronym "CS," which stands for Computer Society. The bold and modern design of the "CS" is a direct reference to the organization's focus on computer science and information technology. The angles and geometric arrangement reflect a forward-thinking, progressive approach to technology and education.
- 1.3 **Technological Circuit Layer:** The blue section at the base contains circuit board elements that symbolize the technical foundation of the organization. It emphasizes the society's focus on computing, programming, and hardware innovation. The technological circuit pattern also ties into the idea of connectivity and collaboration, which are vital aspects of the society's mission.
- 1.4 **NU Dasmariñas Identification:** At the bottom-right corner of the logo, NU Dasmariñas is inscribed, clearly identifying the institution the Computer Society is affiliated with. This text solidifies the society's connection to the university, representing the unity between the organization's goals and the broader educational community.
- 1.5 Overall, this logo represents the Computer Society's dedication to technological excellence and innovation, while also symbolizing its role within NU Dasmariñas as an organization that nurtures and develops future leaders in the field of technology.

ARTICLE 3

ORGANIZATION MISSION AND VISION

Section 1

Our mission is to create a dynamic and innovative environment that fosters academic excellence. We aim to lead and equip our members with essential expertise and wisdom to enhance their technological prowess in their educational endeavors. As we prepare them to embark on their academic journey, we are dedicated to molding their minds to shape a promising digital future filled with positivity and success.

Section 2

Our vision is to empower and inspire our members to take on a journey of self-discovery, enabling them to cultivate their technological proficiency. With this newfound expertise, they will be equipped to push boundaries, ignite innovation, unleash their creativity, and ultimately take the lead in the ever-evolving digital realm.

ARTICLE 4

MEMBERS AND MEMBERSHIP FEE

Section 1

Membership in the NUD Computer Society is required for all currently enrolled students at NU Dasmariñas Campus who are pursuing either a Bachelor of Science in Information Technology or a Bachelor of Science in Computer Science, regardless of their year level. Additionally, all students enrolled in the mentioned university and undertaking these specified courses will automatically become members of the organization.

Section 2

Members of the organization are required to contribute an annual membership fee of one hundred and fifty pesos (P150.00), payable at the beginning of each academic year. The collected membership fees will serve as funds for the organization's future projects and initiatives.

Annual Membership Fee Allocation Breakdown	
Purpose	Amount
CIT Event Funding	₱70.00
Educational Workshops and Seminar	₱60.00
Reserve Fund (For unexpected expenses)	₱20.00

Section 3

For the membership fee, members have two payment options. Members may choose to pay through the NUD Computer Society GCash account during the registration period, where comprehensive account details and a QR code will be provided for easy electronic transactions. Alternatively, members can opt for in-person payments facilitated by year representatives, who will collect fees and subsequently hand over the total amount to the treasurer. The treasurer will then ensure the transfer of all collected funds to the designated bank account, guaranteeing transparency and accountability in the financial process.

6.1 Throughout the impeachment process, the organization is committed to maintaining strict confidentiality to protect the privacy and reputation of all parties involved.

6.2 The organization is dedicated to ensuring a fair and just process for all members engaged in impeachment proceedings, adhering to the principles of due process and transparency.

ARTICLE 12

VACANCY

Section 1

A vacancy in any executive position of the NUD Computer Society student organization shall be declared when an executive member resigns, is impeached, or is otherwise unable to fulfill their duties.

Section 2

In the event of a vacancy in any executive position, the executive board shall appoint an acting officer from among its members to temporarily fill the vacant role until a special election can be conducted. Specifically, in the event of a vacancy in the position of President, the Vice President Internal shall assume the role.

- Section 3** A special election shall be conducted promptly to permanently fill the vacant executive position. This election will follow the organization's established election procedures.
- Section 4** Members interested in the vacant position may nominate themselves or others with their consent and provide a brief statement of their qualifications and plans for the role.
- Section 5** The special election will be conducted by the executive officers. All active members shall be notified of the election and provided with information about the candidates. Voting shall take place using methods established by the organization, ensuring a fair and accessible process for all eligible members to cast their votes.
- Section 6** The candidate receiving the majority of votes cast in the special election shall assume the vacant executive position. In the case of a tie, a runoff election shall be conducted between the tied candidates.
- Section 7** The elected executive member, upon assuming the vacant position, shall be expected to adhere to the organization's code of conduct, duties, and responsibilities as outlined in the Constitution and Bylaws. They shall actively engage in fulfilling the objectives and goals of the NUD Computer Society.
- Section 8** The outgoing executive member, if applicable, shall actively collaborate with the incoming executive member to ensure seamless transition of responsibilities. This transition may include sharing relevant information, documents, insights, and ongoing project details to facilitate an efficient handover of duties.
- Section 9** The secretary shall promptly update all records, documents, and official platforms to reflect the changes resulting from the vacancy and the subsequent election. This ensures that the organization's records accurately reflect the current composition of its executive officers and that members can access up-to-date information regarding the organization's governance.

ARTICLE 13

SANCTION AND VIOLATIONS

- Section 1** Members of the NUD Computer Society are expected to uphold the organization's values, adhere to its Bylaws, and conduct themselves in a respectful and responsible manner. This commitment encompasses a range of conduct expectations, including but not limited to the following:

- 1.1 Members must treat fellow members, university staff, and others with respect and dignity, refraining from any form of harassment, discrimination, or cyberbullying.
- 1.2 Members are required to uphold the highest standards of academic honesty and integrity, refraining from any form of plagiarism, cheating, or academic misconduct.
- 1.3 Members are entrusted with safeguarding the confidentiality of digital accounts systems, and confidential information. Unauthorized access to such resources is strictly prohibited to maintain the integrity of information security.
- 1.4 Members must adhere to all applicable laws and regulations, refraining from engaging in any illegal activities. Violations involving illegal activities may result in legal action, with appropriate authorities notified as necessary.

Section 2

Sanctions for violations may include but are not limited to:

- 2.1 A written warning may be issued for minor violations or as the first step in addressing a member's misconduct. This warning serves as a formal notice and a chance for the member to rectify their behavior.
- 2.2 In cases of repeated violations or more serious misconduct, a member may be placed on probation. During this period, the member's participation in NUD Computer Society activities may be restricted, and they will be closely monitored to ensure compliance with conduct standards.
- 2.3 After probation or in cases where the violation is severe or persistent, the officers shall promptly report the matter to the Discipline Office, which will then initiate the appropriate investigative and disciplinary procedures. The officers shall cooperate fully with the Discipline Office in gathering relevant information and providing any necessary assistance in the investigation.

Section 3

Throughout the disciplinary process, fairness, transparency, and due process shall be maintained. Members shall be treated with respect and given a reasonable opportunity to present their case.

Section 4

The secretary shall maintain a confidential record of all disciplinary actions imposed and appeals filed, ensuring transparency while respecting individual privacy.

ARTICLE 14

- a. Voting will be conducted online via Microsoft Forms, to ensure a fair and secure voting process.
- b. The Election Committee shall consist of the officers from the last academic year, with oversight provided by the former President of the NUD Computer Society.

1.5 In the case of tie-votes, a re-election shall be conducted for the position with tied candidates.

1.6 Absentee voting or substitute voting will not be allowed during the elections.

1.7 If no candidates submit their names for candidacy for vacant positions, the Adviser has the authority to appoint qualified members to occupy those vacant positions.

1.8 The newly elected or appointed officers of the NUD Computer Society shall strictly adhere to all the university policies and procedures, while also maintaining strict compliance with the provisions outlined in these Bylaws.

ARTICLE 15

RATIFICATION OF CONSTITUTION/CONSTITUTIONAL AMENDMENT

Section 1

Constitutional Amendments

- 1.1 Amendments to this constitution may be proposed by any member and require endorsement by the President and Adviser.
- 1.2 Proposed amendments must be formally announced during two consecutive regular meetings to allow for comprehensive member review and discussion.
- 1.3 A specially scheduled meeting is held for voting on proposed amendments. Amendments pass with a majority vote of the present active members.
- 1.4 Approved amendments take immediate effect upon ratification.

Section 2

Ratification and Documentation

- 2.1 The ratification of the Constitution and Bylaws shall involve a formal vote by the general membership of the NUD Computer Society.
- 2.2 The Constitution and Bylaws shall become effective on the date of certification of the ratification results.
- 2.3 The Constitution shall remain in effect for a duration of two years from the date of its ratification before the next renewal process. During this two-year period, the Constitution and Bylaws shall serve as the foundational documents governing the NUD Computer Society's activities and operations.
- 2.4 Once the amendments are ratified, all members of the NUD Computer Society shall be promptly notified of the changes.
- 2.5 Updated copies of the Constitution and Bylaws, reflecting any approved amendments, shall be made readily available to all members of the NUD Computer Society to ensure transparency and accessibility of the governing rules.
